

**APPRENONS LE FRANÇAIS**

# Bonjour mes étudiants ☺

Qu'est – ce qu'on étudie aujourd'hui ?

Aujourd'hui , on comprend le premier group des **verbs**  
– **ER verbs**

(Today , we understand the first group of verbs – er verbs)

In french , verbs are divided into 3 groups.

- First Group – verbs whose infinitive ends in –er
- Second Group - verbs whose infinitive ends in –ir
- Third Group - verbs whose infinitive ends in –re

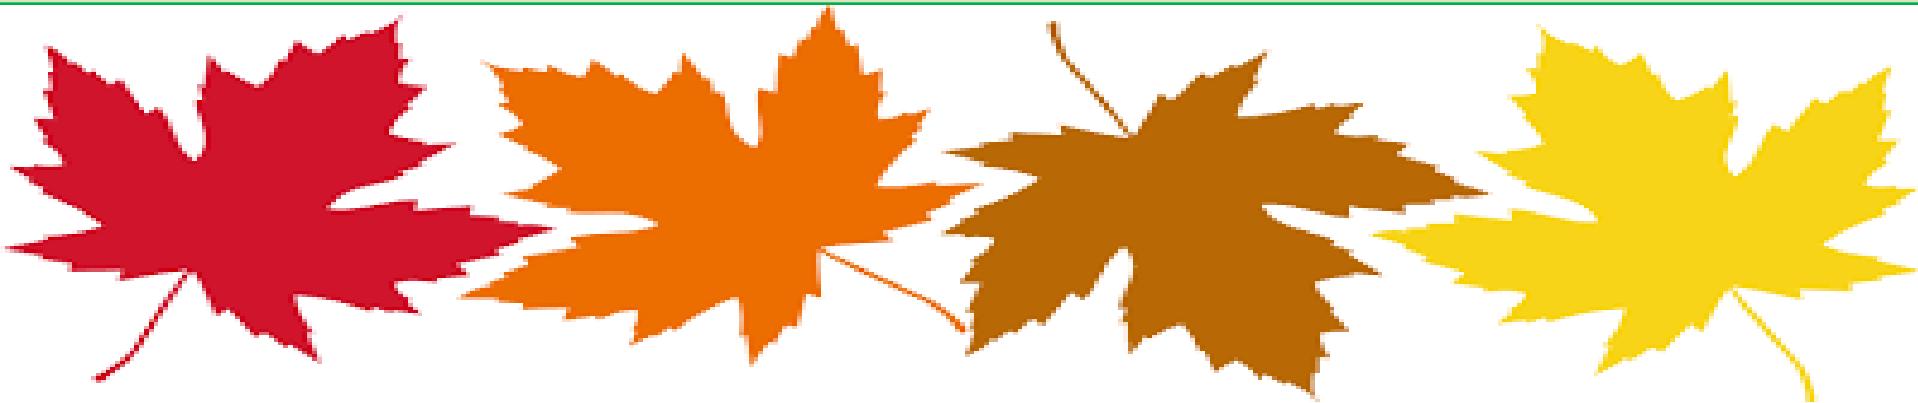

You  
remember ?

# <ER> VERBS

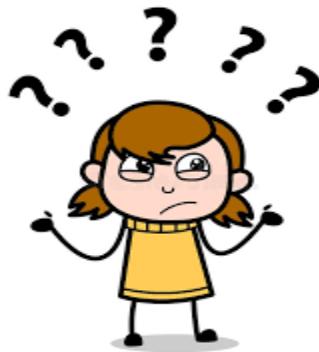

- All verbs whose infinitive ends in **er** belong to this group (**except aller**)
- The present tense of all –er verbs is conjugated by removing the er ending and adding the endings **-e , -es, -e,-ons, -ez, -ent** to the radical of the verb.
- Example –Infinitive - **parler**      Radical - **parl**

- If , we remove **-er** ending of the verb the rest is known as **Radical**. For example :
  - 1) Infinitive- **parler** , radical – **parl**
  - 2) Infinitive – **habiter** , radical – **habit**
  - 3) Infinitive – **danser** , radical – **dans**
  - 4) Infinitive – **jouer** , radical - **jou**

# Comment conjuguez les verbes << er >> (How to conjugate ER verbs)

- To conjugate -ER verbs, **remove** the infinitive ending i.e **-er** to find the stem and add the endings. Endings are **-e , -es , -e , -ons , -ez , -ent**.

For example : Let's conjugate present tense of verb – Parler (to speak)

|                        | Singular             | Plural                   |
|------------------------|----------------------|--------------------------|
| 1st person             | Je <b>parle</b>      | <b>Nous parlons</b>      |
| 2 <sup>nd</sup> person | Tu <b>parles</b>     | <b>Vous parlez</b>       |
| 3rd person             | Il/elle <b>parle</b> | <b>Ils/elles parlent</b> |

- Je /tu / il/elle /nous /vous /ils/elles are subject pronouns.
- **Parl** is the radical of the verb **Parler**.
- e /es/e/ons/ez/ent are the endings of the er verb

**PLEASE
